# The Velveteen Rabbit Luncheon Club

## Christmas Lunch Instructions

- Pre-Heat Oven to 200 degrees Celsius (180 Fan Forced)
- Fill a pan water, bring to the boil. Reduce to a gentle simmer. Place bags of meat into water and leave for 8 – 10 minutes.
- Remove lid from box
- Pop boxes in oven for 20 minutes
- Remove from oven. Be careful, the contents will be hot
- Make sure contents are piping hot before serving
- Just as you're popping the contents on a plate, put your Yorkshire Puddings in the oven. They will take no more than 3 minutes.
- Gravy can be heated in a microwave for two minutes or poured into a pan & heated on the stove until just simmering

**Pudding can be enjoyed hot or cold.**

To warm:

- Pop in the microwave, heat for 30 second bursts until piping hot

**Merry Christmas from everyone at The Velveteen Rabbit!**
